

Around American Canyon Did you know about:

American Canyon

amcan **LIVE**.com

American Canyon LIVE is a website, www.amcanlive.com, which contains a community calendar, a detailed local resource directory as well as a comprehensive faith index. The calendar is the home page and the Resources tab lists organizations that serve American Canyon and/or Napa County.

The goal is to build friendships among neighbors and connect residents with shared interests. Ideally, anyone who is interested in volunteering or in philanthropy will use American Canyon LIVE to research local opportunities. Incidentally, the site has become a useful tool for local agencies and events planners too. Organizers using the calendar can select dates that don't compete with a similar audience. Agencies with limited resources appreciate having a free marketing venue that targets their community.

Anyone in American Canyon can submit events. The calendar focuses on community outreach and volunteerism that serves the citizens of our fair city. There is a "Submit Events" form on the website, or you may simply email me directly aimée@beaugrand.net

If you, your organization, your school, or your church is hosting an event, or is missing from the "Resources" page – please let me know! Feel free to email me all of your events as soon as you have a location. I can enter events up to four years in advance. All submissions are posted for free and there is absolutely zero advertising on the website. The only "commercial" type event listings are those for chamber of commerce members, which I include once a year to encourage spending within the City limits.

-Aimée Beaugrand

Aimée Beaugrand is the operator of American Canyon LIVE. She's also a Court Appointed Special Advocate for children in the Napa County foster care system and a local real estate broker. Learn more about her work of the heart at www.NapaCASA.org and her livelihood at www.Beaugrand.net
